

5050 Single Color LED Rigid Bar

Product Description :

- This is a regular aluminum light bar with aluminum PCB.
- Milky white & clear shell.
- DC12V, 14W/m, we used 60pcs high brightness SMD 5050 LED.
- Non-waterproof for indoor use only.
- We also could offer the aluminum case and PCB bar separately.
- Customized length size available.

Product Datasheet

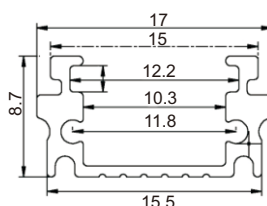

Product Number	B015060CB1LZ	Luminance/pcs	1076 lm
Operating Voltage	DC12V	Ra	≥ 80
Power/pcs	14W	Beam Angle	120°
SMD Type	SMD5050	Diameter (mm)	1000*12mm
LED Qty/pcs	60	IP Rate	IP20/IP65
Color	W:6000K / WW:3000K	Operation Temperature	- 25 ~ 60 °C
Pixel/pcs	/	Material	PVC Plastic
Control	/	Cutting Length	/
Wavelength	/	Net Weight/pcs	/
