

SMD 5050 LED Rigid Bar

Product Description

Waterproof Versiuon

Waterproof Versiuon

- This is a regular aluminum light bar with aluminum PCB.
- Milky white & clear shell.
- DC12V/24V, 14.4W/m, we used 60pcs high brightness SMD 5050 LED.
- Non-waterproof for indoor use only.
- We also could offer the aluminum case and PCB bar separately.
- Customized length size available.

Product Datasheet

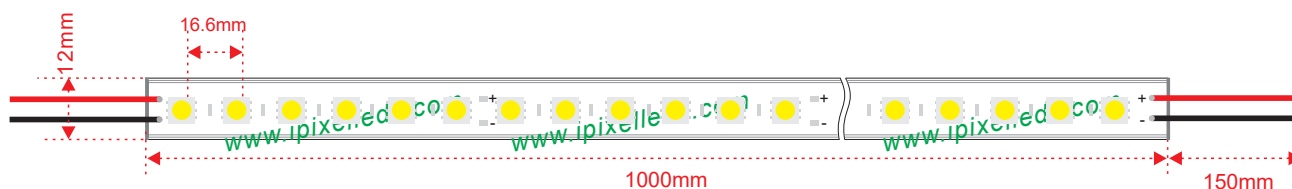

Product	Number	B015060CB1LZ	B015060CC1LZ
Light	Source	SMD 5050	
Beam	Angle	120°	
LED	Quantity	60leds/m	
Size	(mm)	L 1000* W 12 mm	
Emitting	Color	White/Warm white	
Operating	Voltage	DC12V	DC24V
Power	(W/M)	14.4W	
CCT (Color Temperature)		W:6000-9000K / WW:3000-3500K	
Luminosity (LM/M)		1300	
CRI	(Ra)	≥75	
Waterproof	Rating	IP20/IP65	
Operation	Temperature	-40℃-60℃	

Application

Back lighting, edge lighting
Signage board, car's lighting
Cabinet, cupboard lighting
Jewelry store
Indoor lighting

Outline Dimension

Waterproof tube cross
section parameters:
(Unit: mm)

IP65
