

Ultra thin led rigid bar COB 320LEDs/m

DC12V with hand sweep sensor

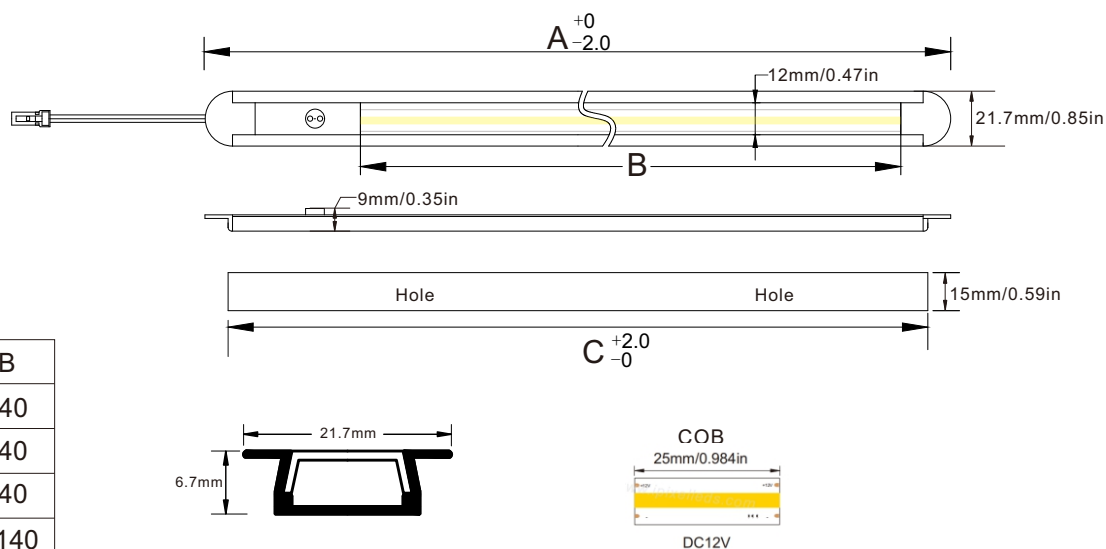

◆ Product Description:

- Hand sweep induction and no need to touch, convenient and easy to switch on/off with a swipe of the hand as needed
- Sensing distance 0-10CM, hand blocking the sensor adjust brightness without moving
- Application: kitchen, closet, cabinet, furniture, bath light
- High quality aluminum profile + led strip inside
- Luminous uniformity, no lighting spot and very soft
- Ultra thin, height just 6.73mm
- The length can be customized

◆ Product Datasheet

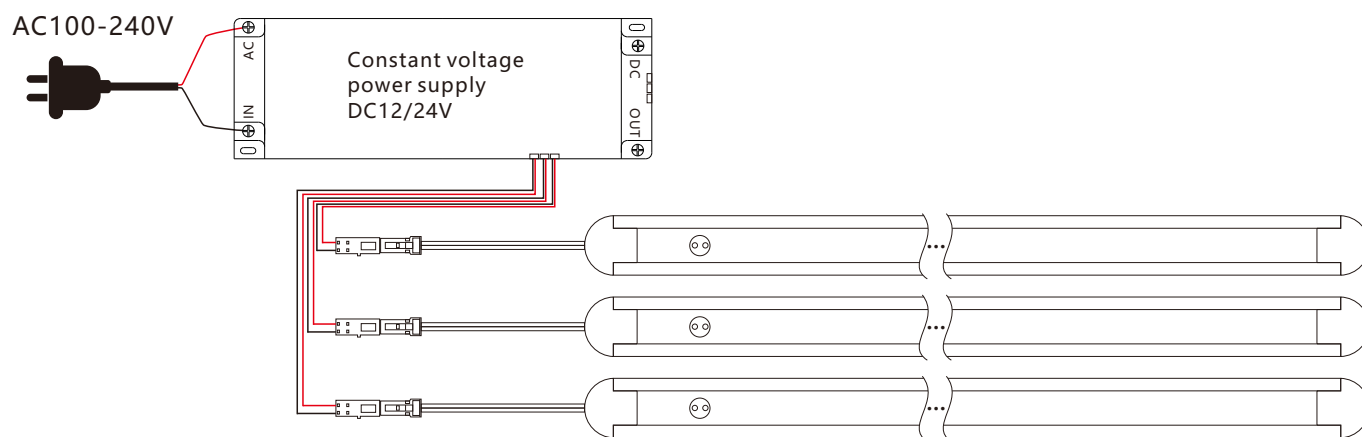

Product Number	B022320ZB1LZ	Luminance/M	402lm
Operating Voltage	DC12V	Ra	80
Power/M	8W	Beam Angle	120°
LED Type	COB	Size (mm)	1000x21.7x9mm
LED Qty/M	320	IP Rateing	IP40
Color	3000K/4000K/6500K	Operation Temperature	- 25 ~ 60 °C
Control	Hand scanning induction	Material	Aluminum

◆ Outline Dimension (unit:mm)

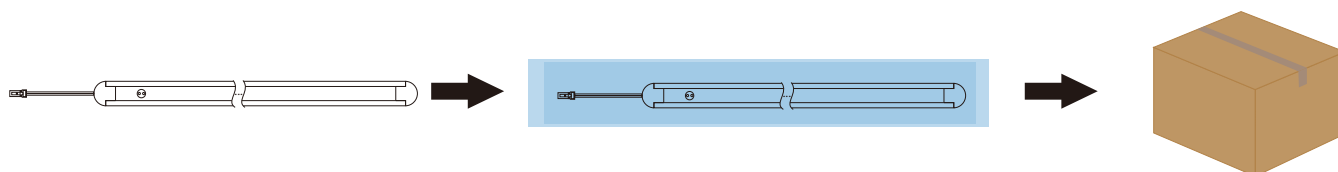

Specs	A	C	B
300	317	300	240
600	617	600	540
1000	1017	1000	940
1200	1217	1200	1140

◆ Wiring diagram

◆ Packaging method
